Dear Parents and Carers,

Yesterday evening the Prime Minister announced that the government may be in a position to start a phased reopening of schools from the 1st June, starting with Reception, Year 1 and Year 6 children. This is part of a conditional plan which will be under regular review.

We have not yet received any information on what this phased opening may look like, and are waiting for further guidance from the government. As soon as I know more, I will update you via Class Dojo and the school website. We do look forward to having pupils back once it is safe to do so. Until then, school continues to be closed for all children, except for those of key workers or who are vulnerable.

Finally can I say a big thank you for continuing to help your children learn at home. This will never be the same as them being at school. However, the work you are doing with them, in partnership with our teachers is making a real difference. This will greatly reduce the negative impact of the school closures. I am really proud to work in such a wonderful and supportive school community.

Please take care.

Mr Morrison
Headteacher
